Referral Scheme

ELEMENTS KITCHENS REFERRAL SCHEME

Elements Kitchens was founded in 1995 and since then most of our customers have come from happy customer referrals. We are always looking for ways to say thank you for your support, and to support local businesses and our community. Our updated referral scheme is one way in which we endeavour to do this.

This brochure is full of carefully selected independent, local businesses, which we aim to support whilst saying thank you to you with a choice of amazing local experiences.

HOW IT WORKS

1. You refer someone to us
2. They come to us and we ask how they found out about us. They give your name.
3. If they buy from us, we will get in touch with you.
4. To say thank you for the introduction, we will ask you to choose from any experience listed in this brochure.
